I need you still

~I need you still~

I know that I have grown up

I'm no longer just a child

I've had to grow up fast

Cause where stuck here in this wild

My brothers to protective

But the others they are nice

And I can't even count

How many the times they've saved my life

But now back to my brother

I made him go away

But I dream about when he'll come back

Each and every day

I thought I didn't need him

But that really is untrue

I wish you knew dear brother

Just how much I'm missing you
And every time we fight
It's because of you that I'm not scared
Somehow it gives me hope
To remember how you cared
I keep trying to be brave
To be as strong as you
But I'm terrified you wont come back
And I really wish you knew
That brother I still love you
And I always will
Cause no matter how grown up I am
Brother I need you still.

End
